

Cradle Song of Grandmother Adams
1847

Thy babe shall be nursed in peace
All thy wants are well supplied
For thy mother's love shall be
Thou art my joy and my pride
Thou art my life and my soul
Thou art my all and my end
Thou art my God and my King
Thou art my Lord and my God
Thou art my Father and my Mother
Thou art my Father and my Mother
Thou art my Father and my Mother
Thou art my Father and my Mother
